Our Global Presence

# OUR STORY

**As a premier Managing General Agent, Specialty MGA brings together top-tier industry experts to deliver enhanced capacity across specialty lines and complex risks.**

We offer a comprehensive suite of services across all territories, supported by A-rated security and a growing panel of leading reinsurers.

Our areas of expertise include Property, Construction & Engineering, Energy, Marine, Space & Aviation, Financial Lines, Cyber, Accident & Health and Surety.

We achieved exceptional growth in GWP last year, rising from \$130m in 2023 to \$507m (USD) in 2024.

Headquartered in London, with branches in Italy, Morocco, and the United States, we are strategically positioned to serve clients globally.

# AT A GLANCE

## WHO WE ARE

- A leading Managing General Agent** offering expertise across multiple lines of business
- An experienced team of underwriters** with specialised knowledge in their respective fields
- Comprehensive capacity** across all lines of business, including CAT risks
- Efficient underwriting** with swift and consistent decisions from our dedicated team
- Demonstrated growth**, currently writing in excess of \$500m (USD) in GWP
- A global presence** with branches in London, Milan, Casablanca, and Austin
- Leveraging a strong international network** as part of the MNK Group

## WHAT WE DO

- Deploy lines of capacity precisely where needed
- Ensure an optimised deployment of capacity through a disciplined and consistent underwriting process
- Provide capacity for challenging risks, including those exposed to catastrophic events
- Robust operating and auditing procedures, designed to be thorough and effective
- Leverage technology intelligently to enhance our processes
- Strategic partnerships through meaningful and mutually beneficial relationships with risk carriers and partners
